

MOCK LINE STRIKE

2018

PipelineResponse

Liaison Documentation Order Form **Emergency Official, Public Official & Excavator/Contractor**

Who We Are:

Texas811, Texas A&M Engineering Extension Service (TEEX) and EnerTech would like to invite you to participate in 2018 PipelineResponse and Mock Line Strike Liaison Programs.

What are we doing:

Prior to the outdoor mock line strike demonstration, the [PipelineResponse](#) training program will be delivered to local Emergency Officials and Public Officials. PipelineResponse has been developed out of the necessity to create an improved level of outreach to Emergency Officials and Public Officials and discuss pre-planning steps to strengthen response capabilities in the event of a pipeline incident.

The PipelineResponse and Mock Line Strike events offer Emergency Officials, Public Officials and Excavator/Contractors an opportunity to participate in classroom and live scenario based training.

The [PipelineResponse](#) training program will be delivered to local Emergency Officials and Public Officials. PipelineResponse has been developed out of the necessity to create an improved level of outreach to Emergency Officials and Public Officials and discuss pre-planning steps to strengthen response capabilities in the event of a pipeline incident.

The [Mock Line Strike](#) live demonstration involves scenario based training:

Scenario 1 covers the proper use of the 811-notification system, safe excavation and line locate practices and correct pre-excavation interaction with pipeline operators.

Scenario 2 demonstrates a pipeline rupture scenario including the consequences of unsafe digging. Industry professionals will be deploying the demonstration. Observers will have the opportunity to hear, witness the rupture and feel the rush of arriving emergency responders. Following the mock line strike, the participants & audience will debrief by engaging in discussion on the lessons learned.

Mock Line Strike & PipelineResponse Integrated Events: Locations Subject to Change

- Abilene
- Amarillo
- Austin
- Beaumont
- Bryan
- Cleburne
- Corpus Christi
- Kerrville
- Killeen
- Laredo
- Longview
- Lubbock
- McAllen
- Mesquite
- Midland
- Nacogdoches
- Pasadena
- Pearsall
- Plano
- San Angelo
- San Antonio
- Sherman
- Victoria
- Vinton
- Waco
- Wichita Falls

Benefits:

- Most heavily attended liaison events in Texas
- Integrated program between Texas811, TEEX and Enertech
- Not just a classroom presentation, a realistic training experience
- Dramatic demonstration on what could happen if a line strike would occur and what Emergency Responders will do if a line strike did occur
- Operators have more one-on-one time pre-and post-demonstration
- Proper baseline and supplemental documentation
- Exhibit booth for PipelineResponse and Mock Line Strike events

Documentation:

- Liaison Program documentation:
 - Presentation
 - Message Map of required messaging
 - Database of attendees with signatures
 - County analytics reports
 - Effectiveness measurement reporting
 - Non-attendee reporting

Giving Back:

Donations will be made to the [National Fallen Firefighters Foundation](#) and/or the [National Law Enforcement Officers Memorial Fund](#) on behalf of every Emergency Official who attends the PipelineResponse training event.

Giving Back To Those Who Risk It All!

*On behalf of every Emergency Responder who attends the PipelineResponse training class a \$5.00 donation will be made to the [National Fallen Firefighters Foundation](#) and/or the [National Law Enforcement Officers Memorial Fund](#) depending on the line of service each attendee represents.
